

Power Animal Supply List

1. Acrylic paints.

Red, Yellow, blue, green, black, titanium white, yellow ocher and any other colors you like

For best sparkling results I recommend investing in **Golden Fluid Acrylics brand** Even just a few colors will enhance the beauty of your painting

Any other paint brand you have will do great as well.

Golden acrylic trial set costs about \$ 45 on Amazon

2. Canvas –One 60x80cm = **24x32** inch

One 50x50cm = **20x20** inch

3. **Brush** Set – A simple inexpensive set will do

You will need at least 4 sizes

– size -12 size 5 size 0 or 1 – pointy brush

Make sure you have a round pointy brush

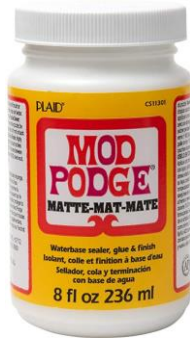

4. **Molding Paste** or Fiber Paste or both any other brand will do.

5. Mod Podge or soft gel

To use as glue

If you can't find these any white simple glue will do to adhere your images.

6. Palette Knife- To spread the molding paste

7. Sealer & Varnish

To seal the image I used medium varnish by Liquitex.

Any acrylic, water-based varnish will do.

You can also use soft gel to act as glue and as a siler.

8. Glazing Medium

To blend the colors or create transparent layers you can use the Liquitex Medium & Varnish or any acrylic extender or fluid medium.

I was using Golden glazing medium and the Liquitex.

9. Spray bottle

10. Wet Wipes

Non scented wet wipes
