

Water Spirit Supply List

Recommended Materials for best results and experience

If you can't find these in your country just do your best, you can always work with what there is

Canvass

Two small canvases, or gessoed water color paper

30x40cm 12x15 inch

Two bigger canvases 70x100cm = 40x30 inch or bigger

You can choose a different format and different sizes

.I recommend to go big with at least one of the paintings

Texture

Silk tissue paper – a package or 10 big sheets

Golden glass bead gel 8 -16oz

Bring your used paper plates

Gesso- any kind will do

Paints

Important: We use GOLDEN FLUID ACRYLICS- yes, they cost a bit more but they are worth their weight in gold

You can also use whatever you have, I recommend Golden for best results or else artist quality acrylics.

If you are on a budget you can start with a

GOLDEN FLUID PROFESSIONAL SET or whatever you can get.

The colors I was using in the course

Teal, Titanium White, Sap green, Jenkins green, yellow Ocher, Burnt umber, Quinacridone Nickel Azo gold,

Ultramarine blue, iron oxide, red oxide, veridian, Pains grey,
GOLD, Indian yellow, black

The white should be bigger than 1oz

~Dry soft Pastels or chalks – to draw the figures on the canvas.

Brushes

An Assortment of brushes-

for fluid acrylics I use soft filberts for painting faces and some
hard bristle ones

~Have wide ones and a pointy round one for details

Rake brush 3/4

Tools

~ Plastic wrap or used plastic bags.

~ Squeegee -from a dollar store.

~A silicone spatula from a dollar store or a used credit card or if you have, a catalyst wedge.

~Mark making tools you have at home

~ A big palate knife or a cake spatula from a dollar store.

.shutterstock.com - 412804024

A brayer- optional

Acrylic glazing liquid

Satin – A great medium that extends the drying time of acrylic paints and creates transparent layers)

Gold mica Powder- Optional- but so much fun to play with.

I was using some metallic aqua pigment as well.

To work with pigments or mica powder you will need gloves and a simple face mask.

Liquitex medium and varnish.

To use as glue, as medium and varnish

medium. If you can't find get Modge Podge instead and Golden

Liquitex Gloss
Medium & Varnish

glazing mediueme.

~Spray bottle

~ Paper plates or sugar canes plates

~ Paper towels

~ odorless wet wipes

For students in the US, you can find brushes and canvases at your local art store, get on 'Michael's' email list for coupons, and order paint from <http://www.dickblick.com/products/golden-fluid-acrylics>

If you live in Australia

An online store: <https://www.cavalierart.com.au/?s=Golden>

They say that Atelier Free Flow paint are almost equal to Golden
